User Experience Report

Dongguan Hua ou sheng Abrasive Steel Co., Ltd.

Invited by Nantong GELD Technology Co., Ltd

Hereby we state that:

On December 27, 2021, our new factory, staff dormitory, canteen and other comprehensive met general cabling problem. Nantong GELD Technology Co., Ltd. offered us the overall cable entry, video control, such as cable, electrical control solutions, helped us to save 90,000 RMB of budget costs, and the overall experience effect was satisfactory.

We deeply feel the difficulties of the entrepreneurial team, so we agreed to support GELD's proposal, hereby issue this user experience report to prove!

We wish Nantong GELD Technology Co., Ltd can make the career better!
